Dear Sir or Madam:

While entering the Courthouse this morning and passing through security, my bags were placed on the conveyor and passed through the imaging security machine. The zipper pull on my bag was caught in the machine and broken off. For me to replace this bag, it will cost me \$47.65 through Initials, Inc. I had purchased this bag about 1 month ago. I am asking to be compensated for replacement of my bag.

Barb Thayer and Dan Laskowski were working security today.

Thank you,

  
Juli M. Strasz
