Mayville Community Schools Operating Millage Proposal This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963. Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Mayville Community Schools, Tuscola and Lapeer Counties, Michigan, be renewed by 17.5216 mills (\$17.5216 on each \$1,000 of taxable valuation) for a period of 10 years, 2021 to 2030, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 11 years, 2020 to 2030, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2020 is approximately \$733,959 (this is a renewal of millage that will expire with the 2020 tax levy and an addition of millage to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?
