LOCAL SCHOOL DISTRICT

RECALL OF NICK BUGGIA

Statement of Reason:

This Board Member failed to hold Superintendent, William Hartzell, accountable for his actions and duties. Therefore, the quality of education and welfare of the students of Mayville Community Schools was jeopardized. This Board Member voted twice not to accept Mr. Hartzell's resignation despite the School Attorney's advice to the Board that they should accept his resignation.

Justification of Conduct:

I was elected to the Mayville school board of education. I ran because I believe in this district and the children that attend our schools. I have worked hard to improve the quality of education in Mayville and to do what is in the best interest of the district.

Part of our job, as board members, was to evaluate William Hartzell's performance over the last year. He has saved this district money and recourses over the last year as well as shown interest in the success of its students and employees. He has also implemented many programs over the last few years that have improved the education in Mayville.

Mr. Hartzell did offer a resignation. He stated that he would resign if he has spent too much money out of the district's general fund. His resignation was premature. He actually ended up saving the district money. The Mayville School Board did not receive any advice from an attorney regarding Mr. Hartzell's resignation.

I believe that there is nothing more important to a child then an education. I care about this district and its students. I would do nothing to jeopardize their success.

Shall Nick Buggia be recalled from the office of School Board Member?
