CARO COMMUNITY SCHOOLS
BONDING PROPOSAL

Shall Caro Community Schools, Tuscola County, Michigan, borrow the sum of not to exceed Twelve Million Five Hundred Thousand Dollars (\$12,500,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of:

erecting, furnishing and equipping additions to school buildings; remodeling, equipping and re-equipping, and furnishing and refurbishing school facilities; acquiring, installing, equipping and re-equipping school buildings for instructional technology; purchasing school buses; and developing, improving and equipping playgrounds, play fields, athletic facilities and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2015, under current law, is 2.60 mils (\$2.60 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is sixteen (16) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.82 mils (\$3.82 on each \$1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on bonds. The total amount of qualified bonds currently outstanding is \$11,900,000. The total amount of qualified loans currently outstanding is \$-0-. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

CARO COMMUNITY SCHOOLS
BONDING PROPOSAL

Shall Caro Community Schools, Tuscola County, Michigan, borrow the sum of not to exceed Twelve Million Five Hundred Thousand Dollars (\$12,500,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of:

erecting, furnishing and equipping additions to school buildings; remodeling, equipping and re-equipping, and furnishing and refurbishing school facilities; acquiring, installing, equipping and re-equipping school buildings for instructional technology; purchasing school buses; and developing, improving and equipping playgrounds, play fields, athletic facilities and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2015, under current law, is 2.60 mils (\$2.60 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is sixteen (16) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.82 mils (\$3.82 on each \$1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on bonds. The total amount of qualified bonds currently outstanding is \$11,900,000. The total amount of qualified loans currently outstanding is \$-0-. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

LOCAL SCHOOL DISTRICT

CARO COMMUNITY SCHOOLS
BONDING PROPOSAL

Shall Caro Community Schools, Tuscola County, Michigan, borrow the sum of not to exceed Twelve Million Five Hundred Thousand Dollars (\$12,500,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of:

erecting, furnishing and equipping additions to school buildings; remodeling, equipping and re-equipping, and furnishing and refurbishing school facilities; acquiring, installing, equipping and re-equipping school buildings for instructional technology; purchasing school buses; and developing, improving and equipping playgrounds, play fields, athletic facilities and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2015, under current law, is 2.60 mils (\$2.60 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is sixteen (16) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.82 mils (\$3.82 on each \$1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on bonds. The total amount of qualified bonds currently outstanding is \$11,900,000. The total amount of qualified loans currently outstanding is \$-0-. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)
