The above listed children stayed OVERNIGHT during parenting time for the period of time stated above. I am requesting credit to my support account.

**FRIEND OF THE COURT POLICY:**

- (1) If any past due child support is owing, a credit will be applied to the arrearages.
- (2) Effective December 2002, Michigan Law MCLA 552.605(C) requires that child support payments be held if the payer is obligated under a support order for a future support payment and the overpayment is less than equal to the monthly support order amount. The payment is to be held and disbursed when the amount becomes payable as support. The child support abatement is a credit, not an automatic refund.
